Steve McDevitt grew up in the restaurant business and comes to the Copperfield Inn at lakeside with over 20 years of experience as head chef. All food is made in house with the freshest ingredients. He will work with you and the Event Planner to accommodate your guest, including those with a restricted diet. Our goal is to serve your family and friends as if they were our own. We use only the finest ingredients and serve them with elegance.

## *A Historic Site*

This historic site was built in 1798 as a carriage stop for weary travelers. During the 1960's, The Lakeside Inn became an establishment in the Limerick area. It seems everyone far and near that we meet has a favorite memory; be it a wedding, a prom or Sunday Brunch and we love hearing their stories of all their past experiences.

The Current owners; Vince and Cynthia Giancaterino, Frank and Sherrí Sautner have been in the food and beverage business since 2001, growing from a local cafe in Philadelphia, to a popular restaurant in the Collegeville area, to this beautiful, lakeside site.

Allow us, with our Executive Chef, to create your next memory, where our unique atmosphere and quality are unsurpassed. We understand that your event is one of a kind and your vision will become a reality for you and your guests.
